

Hands-on or Team Manager

Do you need more income £ ?

Owning a Bebo Cleaning franchise offers a unique opportunity to increase your income. For example, once job/work go-a-heads are secured and sub contract cleaners are in place, team managers can generate a steady recurring income each and every month.

Hands-On Earnings Potential

Some franchisees can increase this income £ as shown in the example illustration by not charging clients hourly rates but on a FIXED PRICE instead for a set routine. BEBO franchisees set their own charges and the national average for professional cleaning services by larger contractors can be significantly higher than this example.

Scenario	Weekly hours	Rate £ to Client	Your Margin hrly	Weekly Income	Weekly Profit	Est. Yearly Profit
PART TIME	20	£20	£20	£400	£400	£19,200
FULL TIME	35	£20	£20	£700	£700	£33,600

Team Manager

This Team Manager illustration shows potential income based on subcontract cleaners paid an hourly rate. The client charge rate of £24 reflects a mid-range cleaning price typically found across the UK for cleaning services, but with BEBO Cleaning business you can set your own rates. Some franchisees also use fixed-price jobs instead of hourly charging, which can significantly increase profits.

Cleaners total hrs	Rate to Client	Cleaner Rate	Your Margin hrly	Weekly Income	Weekly Profit	Est. Yearly Profit
80	£24	£13	£11	£1,920	£880	£42,240
120	£24	£13	£11	£2,880	£1,320	£63,360
